📍 Ayodhya

SUMMARY

"Results-driven Computer Science graduate with strong foundations in programming, data structures, and algorithms. Skilled in Python, C++, and database management. Proven ability to work in team environments and deliver high-quality solutions under deadlines."

KEY ACHIEVEMENTS

Coding Project Efficiency

Implemented a coding project improving system efficiency by 20%.

Top Programming Grades

Achieved 95% in final year programming assignments.

Website Development Leader

Led a team to develop a website in 3 weeks.

Codebase Maintainability Boost

Increased codebase maintainability by 15% through refactoring.

EDUCATION

- 08/2024 - 07/2028 • Bachelor of Technology - BTech, Information Technology
IET Dr ram Manohar Lohia Avadh University Faizabad
- 07/2022 - 05/2024 • Intermediate , Science subject
Azad inter college kuchera Ayodhya
- 07/2020 - 05/2022 • High school, General subjects
Azad inter college paliya jagmohan singh

EXPERIENCE

- 06/2025 - Present • Data Analytics Developer
Mumbai, India
Tata Motors
GenAI Powered Data Analytics Job Simulation
 - Completed Tata GenAI-Powered Data Analytics Job Simulation, gaining hands-on experience in AI-driven insights and real-world data analysis.
- 06/2025 • Technology Job Simulation
Australia, Cuba
Deloitte
Deloitte is a global leader in consulting, audit, tax, and advisory services, helping organizations solve complex business challenges and drive sustainable growth.
 - Successfully completed Deloitte Technology Job Simulation Certificate, gaining practical experience in real-world tech consulting tasks and problem-solving.
- 06/2025 • C Programmer
Bangalore, India
Simple Learning
Simplilearn is a leading online learning platform offering professional certification training in digital skills like data science, cloud, AI, and more.
 - Completed C Programming Certificate from Simplilearn, gaining foundational skills in coding, problem-solving, and program logic.
- 05/2025 • Full Stack Developer
Bangalore, India
Google
Google is a global technology leader specializing in internet-related services and products, including search, advertising, cloud computing, software, and AI.
 - Completed Full Stack Development Certificate by Google, gaining hands-on experience in building responsive web applications using front-end and back-end technologies.
 - Highlight your accomplishments, using numbers if possible.

EXPERIENCE

05/2025

Mumbai, India

● Data Visualization Developer

Tata Motors

Tata Group is a global enterprise headquartered in India, known for its leadership across diverse industries including technology, automotive, steel, and consulting.

- Completed Data Visualization Certificate focused on empowering business decisions through effective data insights and storytelling.

SKILLS

C C++ JAVA Python Html CSS JavaScript

COURSES

B.Tech(INFORMATION TECHNOLOGY) Course Title

INTERESTS

Full Stack Developer

Software engineer
